RE: Notice of Monetary Penalty – NEMT Broker

Dear Jamie:

By Notice of Action dated February 24, 2020, Louisiana Healthcare Connections (LHCC) was notified of its requirement to provide non-emergency medical transportation to eligible enrollees in accordance with the terms of its contract with the Louisiana Department of Health (LDH), which provides:

6.23.3. NEMT/NEAT shall be provided to and from all medically necessary Medicaid state plan services (including carved out services) for those members who lack viable alternate means of transportation. NEMT/NEAT to non-Medicaid covered services is not a core benefit; it may be considered a cost-effective alternative service if so approved by LDH per Section 6.27.

7.8.9. Non-Emergency Medical Transportation and Non-Emergency Ambulance Transportation

7.8.9.1. MCO shall have sufficient NEMT providers, including wheelchair lift equipped vans, to transport members to/from medically necessary services when notified 48 hours in advance.

7.8.9.2. For medically necessary non-emergent transportation requested by the member or someone on behalf of the member, the MCO shall schedule the transportation and require its NEMT/NEAT provider to arrive and provide services with sufficient time to ensure that the member arrives at least fifteen (15) minutes, but no more than one (1) hour, before the appointment; does not have to wait more than one hour after the conclusion of the treatment for transportation; is not picked up prior to the completion of treatment; and is not in the vehicle for more than one (1) hour in excess of the estimated travel time, as calculated by a mapping application, for each leg of the trip.

The Notice of Action placed LHCC on notice that beginning April 1, 2020, a penalty would be assessed for each instance a transportation provider does not show up for a scheduled transport.

On March 19, 2021, LDH was contacted by Governor John Bel Edwards' office regarding member, [REDACTED]. The member had reported to Governor Edwards' staff that he had missed his March 17, 2021 appointment to receive a COVID-19 vaccination due to the transportation provider failing to show up for the scheduled transport. On March 23, 2021, LHCC confirmed the transportation "no-show" and stated it was due to the assigned driver calling in sick that day and the transportation broker failing to reassign the transport.

Failure to adhere to the contract requirements cited herein warrants the assessment of a monetary penalty per occurrence per calendar day of non-compliance of \$5,000, as outlined in the contract between LHCC and LDH. A total penalty in the amount of \$5,000 will be retained from the next monthly capitation payment made to LHCC.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Stacy Guidry
